SENIOR'S MESSAGE

THE YOUTH REPLIES "I CAN"

Foreword

Class of 1957, for two years you have been unified. You have worked, laughed, and studied together. You have been challenged with many problems and have risen above them all. For many years to come people will remember the spirit and skill with which you put forth every activity; your Junior Prom, your class play and now your yearbook.

As you have mastered these things, can each one of you go forth into the world, a young man or woman, to be successful in your life?

"Youth replies, 'I can'."

Students of Silver Lake Regional High School, Faculty and Friends, the senior class of 1957 brings to you their last combined effort and perhaps their greatest accomplishment; their edition of the "Torch."

CHESTER T. RAY

As this yearbook is printed, you, the student body, will have been associated with Silver Lake for two years. It is my firm conviction that the vast opportunities offered by the school are beginning to be felt in many, many directions.

Academically you have been challenged to do more work. Vocationally, Silver Lake offers one of the greatest opportunities in the area. Practical observation indicates that you are finding this opportunity and are beginning to make real progress.

However, we have just scratched the surface of the real potential that your school offers. The future is in your hands, students. To make the most of it you must recognize your opportunities and make the most of them. It is wholly up to you!

"Coming together is a beginning;
Keeping together is progress;
Working together is success."
—Henry Ford

ADMINISTRATION

FRANCIS M. MORAN

"Train up a child in the way he should go; and when he is old, he will not depart from it." These biblical words have formed the basis for education down through the ages. Our most difficult task is to find a way to show the young and inexperienced what the experienced, but not necessarily old, eyes of the adult know to be the right way. It is the hope of every teacher that each new class will find something to give purpose to their schooling and that as graduates they will be better prepared to fit into the adult world.

LLOYD M. CREIGHTON

The class of 1957 has chosen a very significant class motto: "Youth Replies; 'I can'." "Can" expresses primarily a positive power of acting. Thoreau has said; "Man's capacities have never been measured; nor are we to judge of what he can do by any precedents, so little has been tried." No man can do all things. The class of 1957 as a group should certainly say "I can."

Possunt, quid posse vindentue. (They can because they think they can.) I sincerely trust that you will.

Dedication

Each one of us in this graduating class of 1957 is truly thankful that we have had the good fortune to be under the able guidance of Mrs. Churchill and Mr. Hand during our two years at Silver Lake. They have given freely of their understanding and wisdom in an effort to guide us, no matter what the problem might be. As we come to the close of our senior year we sincerely hope that our growth in maturity will make them feel that their efforts on our behalf have been justified.

The influence of a wise teacher does not terminate when a student graduates. It continues to be felt through the years. On many occassions the counsel and advice given during that period will linger in our minds that we may profit from it.

Mrs. Churchill and Mr. Hand, in gratitude and appreciation for the unselfish and ever present leadership which you have given us, we dedicate to you, this, our edition of The Torch.

"Wisdom he has, and to his wisdom courage; temper to that and unto all success."

As everyone knows, we've got the best class president ever—why? Because it's Jeff! Don't let those "cat" shirts lead you astray; Jeff is one of the "fellas" and a true friend to all. He may be seen in a '50 Ford—what did you say, you're trying to make it noisy?

Class Vice-President 2,4; Dramatics Club 4.

SECRETARY

MARSHA LEE JOYCE

"None—nane on earth above her, to know her is to love her."

Never a degrading word could be uttered about our Marsha. She has always been ready to help, join in all the fun and she looks like a perfect lady who wouldn't over indulge in activities. She is one of the peppiest cheerleaders that Silver Lake ever will have.

Chorus 1,2,3,4; Track 2,3; Cross Country 2; Senior Class Play 4.

JON HURLE ALBERGHINI "Jon"

"While the sun shines, make your hay; that is whot the wise folks soy."

PATRICIA ANN BADORE "Pat"

"Only the sincere can know sincerity."

Pat may seem quiet, but don't let her fool you. That merry twinkle in her dark eyes gives her away. Did you ever hear her sing? Pat's lovely voice made her one of the outstanding contenders in the South Eastern Chorus last February.

Chorus 1,2,3,4; Home Economics Club 4; Basketball 1.

ROBERT ERNEST BAKER "Bob"

"A man of deeds they found him."

SUSAN KEENE BALTZER "Sue"

"Life is a game that must be played, so live, laugh, and be not dismayed."

If you see a blue Caddy flying low, it's probably Sue on her way to the roller skating rink. Can that girl skate! Full of fun is our Sue and she's a hard worker, too. Don't forget those P.J. parties and "Lilly Maybelle."

MEREDITH ANN BOSTOCK "Merry"

JOSEPH FRANCIS CAPERELLO "Joe"

"To have thought, to have done."

Joe is very mechanically minded. He's most content when he has a wrench in one hand and a screwdriver in the other. Fixing cars is more than a hobby to him. Joe, a sincere and friendly person, is a good candidate for Good Will Ambassador.

Baseball 2.

DEAN JOHN CARTER

"Better late than never."

Dean is the boy with the deep voice. Do you remember the Christmas Assembly put on by our class '56 and Dean's musical portrayal of one of the Wise Men? Very good Dean. By the way, what is an I-C-H-T-Y-O-L-O-G-I-S-T?

WILLIAM MICHAEL CARY "Bill"

"And the thoughts of youth are long, long thoughts."

Bill is an auto mechanic man. He knows as much about a car as a professional mechanic. Bill's ability to make friends should be a valuable asset in the future, even though he seems very shy at times. If you don't believe us, ask him.

RACHEL MAE CAVANAUGH

"Her aid, her manners, all who saw admired."

Rachel is headed for Mass. State as a Home Economics major. A terrible passion for joining committees infected her when she was small and now she is a member of almost any club you can name. Just look below—How do you manage to do all those things anyway?

Chorus 1.

RAYMOND WILLIAM DUNN "Benji"

"The rule of my life is to make business a pleasure and pleasure my business."

Benji may be shy but maybe someone from Whitman knows better, huh? Besides that, Benji's really "gone" on hotrods and custom cars. This interest in cars shows when you see him zooming along in that sleek, baby blue Ford. We know Benji is headed for further work in mechanics, and we wish him success.

JUDITH DIANE DUTCHER "Judy"

Of course, the most important social event of the freshman class was the Freshman Dance, which was held on the evening of March 8.

We have found that high school is quite different from elementary school, and we hope that our sophomore year will be as much fun and as exciting as our freshmen year has been.

NATIONAL HONOR SOCIETY

The Silver Lake National Honor Society has accomplished a great deal under the helpful guidance of our advisor, Mrs. Opachinski. Early in the fall the Society sponsored a profitable picture drive which helped to pull us out of bankruptcy. We also held a dance in November that was a social as well as a financial success. Toward the end of November the entire group went on its annual trip. One of the high points of the year was the Annual Conference of National Honor Societies held at Whitman High School in December. All those who attended can certainly agree that it was a profitable experience.

Early in March an impressive candlelight induction was held in the Little Theater. Pins and membership cards were presented to the new members by Mr. Lloyd M. Creighton.

During the past year each member of this society has strived to carry on the ideals of Scholarship, Character, Leadership, and Service. Light is our symbol of hope and the flaming torch of our Society serves as a beacon for all students.

The students showed a great deal of enthusiasm in organizing the Book Fair which was a great success. Several members of the Library Club gave book reviews to the lower grades in the four towns in order to arouse their interest in the better books.

To our adviser, Miss Tabor, we owe a great deal of thanks since she is the person who planned our meetings which were always interesting.

THE PRESS CLUB

The Press Club has spent a successful year gathering news and information about Silver Lake's school life. The club has reported this news to three local newspapers, forming a Silver Lake column in each. The proceeds earned go to the yearbook fund. Mrs. Anna Hill has been the adviser of this worthy project for two years.

During the first half of the year, members of English 32 made up the Press Club and during the second half, members of English 33-A made up the club.

Everyone hopes that the fine work of the Press Club will continue on in the future years of Silver Lake.

KEY CLUB

The Key Club is new to the Regional and to the towns attending the High School. It gets its name, "Key Club" because it is one of the key clubs of the school. Although sponsored by the Kiwanis it is a school club with a membership limited to selected boys of the Sophomore, Junior, and Senior classes.

The Key Club is a service club, much the same as the Student Council. It works with the Principal and Faculty assisting and carrying our worthwhile projects in the school and community. A late start in the school year has hampered its chances of distinguishing itself among the other school clubs.

Its present membership of 28 was selected by the principal and heads of the departments out of a large number of boys wishing to join. At its first meeting the following officers were elected: President, Wesley Shaw; Vice-President, Michael Andrews; Secretary, Robert Walsh; Treasurer, Edson Bryant; Board of Directors: Senior; Alfred Roncarati; Junior; Phillip Bosworth; Sophomore; Howard Randall. The advisor is Mr. Roland Kimball.

The Key Club shows promise of becoming one of the school's most outstanding clubs.

THE SILVER LAKE MODEL MANGLERS

The Model Manglers were well under way last Fall with about a dozen active members. About half ot them had planes and new instruction techniques which made the first flight less of a hurdle. It was interesting to note that as soon as a member switched to larger planes, he would learn rapidly, even if he had never had a successful flight on the tiny class ½ A ships. As the end of the fall season drew to a close, the Wednesday afternoon sessions saw many creditable flights. A few members (brave souls) could execute passable loops, wing-overs, and figure eights without closing their eyes during the pullout.

Over the Christmas vacation and during the really cold weather, most activity has been centered in building. A rash of new planes are under construction, and interest is on the increase. The type of plane most prevalent has been the stunt plane, but the club expects to branch out in the Spring to team racing, combat, and scale. The future looks encouraging, since interest mushrooms whenever the planes are flown, and the skill gained by some of the present members is being passed on to the newcomers.

Never in the history of this Dramatics Club has there been such a large membership. It was hard to get every member in some activity put on by the club; but everyone was given an equal chance. We put on a Christmas Assembly that was enjoyed by the senior high school, especially our Santa Claus. A three act play "The Form Divine" was given on March 22 and was a big success. During the year the club made a profit by taking charge of the concession, during basketball season. The Dramatics Club Banquet, which ended our year, was well attended and proved a fitting finale.

FOOTBALL

The second football team in Silver Lake's history began their season by looking forward to the six games on the schedule. The opening practice produced sixty boys, all fighting to get one of the thirty available uniforms. The team was built around twelve returning veterans, with the remainder made up of promising Sophomores and Freshmen. The co-captains, which were elected last year, were Edward Angus and James Wills.

The season began with an exciting win over Whitman High, who hadn't been beaten for the last two years. The opening game was followed by a win over Falmouth and losses to Marshfield, Hanover, Plymouth, and Scituate. Mike Andrews did an outstanding job in quarterbacking the team while Red Angus and Jim Wills provided the spark to keep it going.

Graduation will only take five boys. Next years team should have a great year under the leadership of co-captains Mike Andrews and David Merrill.

Co-captains E. Angus, J. Wills.

VARSITY BASKETBALL

This year our basketball season proved very successful. Not expected, at the beginning of the season, to end up within the first five places, the team, determined not to be beaten played with the will to win and ended the season with a record of ten wins and four losses sharing a second place tie with Plymouth.

Co-Capt. Jim Corsi, high scorer for the season, set a game scoring high, pouring 32 points through the nets. Co-Capt. Don Lopes was our top rebounder and our scoring was provided by Dan Santos, John Rielly, Mike Andrews and Paul Corsi.

In both the South Shore League Tournament and the Tech Tournament we succeeded in winning our first game, but couldn't come through in the second. All in all we had a thrilling and rewarding season and wish that next years team will be equally successful if not more so.

CHEERLEADERS

Well, we will certainly miss cheering next year. We will never forget how we froze during the football season before we acquired our new uniforms. It was certainly a rare occasion when everyone brought their shakers. It seemed as though every time we had a game, it was raining or snowing, so that our shakers were ruined!

"Would anyone like to buy a beani? Only fifty cents!" This was our money making project of the year, and it was a huge success.

Good luck to the up and coming cheerleaders. Do your best for Silver Lake!

The members of the Librory Club set up the books ond octed os clerks ond solesmen, under the guidonce of the school librorion, Miss Doris Taber.

To odd attroction ond to show the people of the towns the purpose of our extro-curriculor groups, each of the school clubs set up o booth with displays ond demonstrotions of whot they do.

SENIOR CLASS PLAY

SENIOR CLASS PLAY

We Seniors storted off our lost but happiest yeor with o three act comedy. "Beouty ond the Beef." This was one of our most successful ventures.

We storted on our brief but hoppy acting coreer with Fred Adoms and Lee Covi starring os Beef and Ginny ond the life of o footboll hero ond a high school "brain" wos unrolled. We gave a vote of thonks to Miss Weber, our oble director, who gave us couroge to ploy to o full house on both Fridoy night, November 9, and Soturdoy night, November 10.

As the finol curtoin fell ond the lost roor of applouse wos heord we oll reolized what o rewording ond profitoble experience we hod undergone.

"Beouty and the Beef" wos truly o Senior class ploy. Each and every Senior must be given credit for the jot they did; whether selling tickets or promoting the ploy. Even the smallest job helped to moke the ploy a success.

SILVER LAKE PLAYS PLYMOUTH

A history making event in local schoolboy sports took place on the 17th of February, 1957, when the Silver Lake varsity and junior varsity basketball teams, defeated Plymouth High's basketball teams. This was the first time in two years that Silver Lake was able to overcome Plymouth.

Both games were an easy match for the ferocious Silver Lake boys. In the beginning the competition was severe for both of the teams, but the Lakers gained the confidence and spirit they needed to become victorious.

An added attraction to this game was the drum majorettes, under the able Direction of Mr. Andrews. Their first appearance certainly contributed color to the already vivid game.

An estimated fifteen hundred spectators filled Silver Lake's gym to cheer their teams on to victory. But only one team could win, and only one did—SILVER LAKE.

CHRISTMAS ASSEMBLY

An assembly was held at Silver Lake to observe the birthday of Christ. First on the program was a Christmas play presented by the Dramatics Club under the direction of Mr. Pooler, who was in charge of the assembly.

Following the play one of Peter Marshall's famous Christmas sermons was read and scenes of the Nativity were shown. After the assembly the student body held a pep rally in the gymnasium.

GOOD GOVERNMENT DAY

Goeffrey Smith, a member of the senior class, was selected this year to represent Silver Lake Regional High School at the annual Student Government Day at the State House in Boston. As a representative of the school he served as a committee man on the Committee on Constitutional Law. The entire proceedings of the day were under student leadership. The experience of sharing in the activities was extremely rewarding to each and every student who participated.

Good Citizens

D.A.R.

On March 14, 1957, Marsha Joyce attended the annual D.A.R. convention at the Sheraton Plaza Hotel in Boston. She was chosen by the senior class as one of three finalists and was selected finally by the faculty.

The day began with an assembly at which the State D.A.R. girl was chosen. The Hotel Sheraton was selected for luncheon and Greyhound busses transported the girls to the State House for a very interesting tour.

It was an extremely profitable day for all.

SCIENCE FAIR

Early in March, Silver Lake Presented its first Science Fair. This was greeted with enthusiasm from the people of the district, as well as by the students. On the night of the fair, scores of people thronged the cafeteria to look over the interesting demonstrations, models and all types of projects, displayed by the students.

Many of the projects were quite complicated and highly technical. It was necessary to have very capable judges, who did an excellent job of grading the students and choosing the winners. Robert Sturtevant, with a radio controlled yacht, walked away with the grand prize, while Virginia Randall, with a microprojector, was first for the high school, and Barkley Churchill won first prize for the Junior High Division.

NATIONAL HONOR SOCIETY INDUCTION

The National Honor Society induction on March twelfth went off very smoothly as a result of the combined efforts of Mrs. Opachinski and a planning committee. The planning committee took care of behind-the-scenes details, such as flowers, staging, program, etc., while Mrs. Opachinski gave advice and coached at rehearsals. Fourteen new members were inducted in a ceremony made most impressive by an imposing stage setting and soft lighting. Refreshments were enjoyed by everyone after the evening assembly.

STUDENT-FACULTY NIGHT

May 19th was student-faculty night at Silver Lake Regional High School. The girls' and boys' varsity basketball teams played games against teams comprised of some of our more sporting faculty members.

It was a night packed with fun and thrill. The students won both games. but the men's games was very close and the lead changed hands every few minutes. The girls' game was not close but the women teachers were the best of sports and caused the basketball fans much amusement with there original uniforms.

The cheerleaders also added to the entertainment. They dressed in hilarious costumes and did many different cheers, for the faculty and the students.

GYM NIGHT

Gym night was held on March 29, 1957. The various gym classes and gym clubs assembled in the gym and demonstrated the various skills attained throughout the year. The most outstanding events of the evening were square dancing, by the junior high students, folk dancing, the girls' gym club, the boys' gym club, badminton, volleyball, basketball drills, but both boys and girls, and the high jump. Members of the faculty who organized the demonstrations were, Mr. Mc Fadgen, Mr. Cobb, and Mrs. Bielski.

There was a large turn-out to see the activities, and the evening, as a whole, was a great success.

BOY'S GYM CLUB

GIRL'S GYM CLUB

DRAMATIC'S CLUB PLAY

"The Form Divine," a three act comedy play, was directed by Mr. Pooler, assisted by George Totos.

The story was centered around Lucilla Webb, played by Beverly Junkins, Arthur Webb, played by Fred Adams, and their daughter, Hoopy Webb, played by Lorainne Calvert. Lucilla Webb was not a bad-looking woman, but she had become slack in her outward appearance, looking much older than her thirtyseven years. Hoopy was afraid to let her new boyfriend, Jimmy, see her mother, for he had said, "You can always tell what a girl will look like in fifteen years by looking at her mother."

When Lucilla heard of this, she enrolled in "Beautiful You," a school for rejuvenating women. She was given a special diet, special exercises, lessons in good grooming, and the use of cosemetics. After eight long weeks of this, with the course completed, except for graduation, Arthur receives the bank statement showing a decrease of $150. He becomes furious and goes on and on about how foolish the whole idea was, until Lucilla enters the room looking very beautiful and years younger. Finally, he admits he was wrong, and together with three others, Lucilla and Arthur leave for the graduation ceremony. Others in the cast included: Helen Weston, Patricia Lennox, Judy Moran, Carolyn Pratt, Phil LaRoche, Dick Ward, Roberta Peck, Jean Stevens, Merry Bostock, Jon Alberghini, Susan Candini, Nancy Hamilton, and Marilyn Calvert.

REPORTED IN THE BROCKTON ENTERPRISE

JUNIOR PROM

"Isle of Paradise," a fairyland enchantment of the sea, was depicted in a fabulous and spectacular panarama at the Juniar Pram held at the Silver Lake Regianal High Schoal, Friday evening, which was attended by aver 500 persans.

The focal point was the "Isle of Paradise," in the center af the huge gymnasium, which was a large replica of a trapical island, with its waterfalls, tropical plants, palms and fish, in the middle of which was the bird of paradise. Over the bridge which crassed the island was suspended a revalving butterfly ball, with its calors in pink and gold emphasized by the spotlights throughaut the hall. On the acean side, fish nets were drapped an the wall with tropical birds and underwaterfish and at the entrance, an the seashare, was a large baat, equipped with fishing accessaries. The large balcany, where many of the guests were seated, represented the "Moon Deck," the entire side af the hall transformed inta an ocean liner called the USS Moonglow, with its porthales, lifeboats and signal flags, and its realistic tropical fish and birds flying craund. The unusual lighting effect campleted the transformation af the dance auditorium into a setting af the sea as the myriads af lights played an the butterfly mobiles, birds and flying fish suspended from the ceiling, the pink gald calar scheme carried out in the lights. Dancing was enjayed thraughout the evening and refreshments of fancy cakes and punch were served from the buffet tables which were arranged araund the hall. Small tables far the canvenience af the guests were also placed araund the hall.

The highlight af the evening was the grand march led by Geoffrey Smith, class president, and his partner, Evelyn Fagg; Marsha Jayce, class secretary, and her partner, Jack Angley; Daniel Santas, vice-president, and his partner, Brenda Laring, class treasurer; Gail Tassinari and her partner, James Carsi, fallawed by ather members af the class and guests.

Mrs. Elinor Churchill, dean of girls, alsa juniar class adviser, was in charge af arrangements and served as general chairman af the entire pram.

The presentatian of a bouquet af roses and a gift was made ta Mrs. Churchill from the class in appreciatian af the haurs af wark she has put in and her advice, the presentatian being made by Geoffrey Smith, class president. He alsa presented Mrs. Asa Glass a bauquet af flawers and a gift as directar of the grand march, and a gift ta Rabert Andrews, art supervisar, wha assisted with the decaratians and praved invaluable with ideas, both technical and decarative, in carrying aut the theme. Evelyn Fagg and Beverly Lee, co-chairmen af the decaratian committee, were alsa presented gifts fram the class.

Isle of Paradise

REPORTED IN OLD COLONY MEMORIAL

JUNIOR PROM

One of the most ingenious settings possible was seen last Friday night by more thon 500 people who thronged the Silver Lake Regional High School to enjoy the Junior Prom, based on a spectaculor Isle of Paradise theme. A breath-taking background was created fram the clever ideas given to the decorating committee headed by Evelyn Fogg and Beverly Lee, co-chairman, working under the direction of art supervisor, Robert Andrews.

As one entered the gymnosium, his eyes were immediotely drawn to a minioture Pacific island set up in the middle of the holl. In the foreground sparkling music was played by Marshard's orchestra. A myriad of jewel spotlights featured a low bridge set in the middle of the lush green island omong a setting of tropical trees, palms, flaming geroniums and a bird of paradise. Overhead swung a silver ball to which were attoched graduated butterflies matching the larger mobile butterflies and flying fishes hanging from the rafters. The walls, painted to give an ocean effect, were decorated with nets, flying fish and sea serpents. A painted skiff ot the entrance contained a pink paper mache swan, nets ond onchor, odding to the seo atmosphere. Guests were seated in the balcony, transformed into a moon deck of an ocean liner with its flying penants ond blue and white life savers.

Miss Fogg, center of all eyes as she led the grand march with Class President Geoffrey Smith, was lovely in her own creation, a light blue brocaded ballerina gown featuring a deep blue velvet panier running from the tight bodice to the hemline.

Marsha Joyce, class secretary, wore a sweeping heovenly blue all ruffled net and lace tulle over full hoops with matching mitts and a rose corsage presented to her by her partner, Jack Angley.

Beverly Lee, co-chairman, her stately brunette beauty enhanced by a flowing multicolored orchid chiffon gown, danced with Bob LaRoche. Potricio Badore, with Robert Sturtevant, wore a rose net over taffeta with an off-shoulder effect; Ann Bray, escorted by Bob Blanchard, wore o lavender lace and tulle with matching slippers. Ilona Blom was graceful in a pole lavender full ruffled ballerina gown as she danced with Robert Pimental. Leonard Roby escorted Janice Mosher, a picture in a candy yellow ballerina chiffon with orchid sash.

Not to be outdone by the students were Mrs. Elinor Churchill, dean of girls and class advisor, who wore an ice blue brocade street gown and Mrs. Asa W. Glass, smartly ottired in a long black silk dinner gown with a short white bolero, Mrs. Glass, director of the grand march, was presented with flowers as was Mrs. Churchill for their long hours of working with the class in presenting the most successful social affair of the year for the juniors.
